S.E. M.Jean Jules Jusserand
Ambassador of France
Washington, D.C.

Dear Sir:

As perhaps you know, this Society has a very fine collection of foreign Orders and Decorations. We have been given to understand that it is the best general public collection in the world.

A large number of these Orders and Decorations were presented to us by Mr. J. Sanford Saltus. We lack, for the most part, the French Colonial Orders - such as, Morocco, Madagascar, Dahomey, Benin, Tadjourah and Anjouan.

Would it be possible for the French Government to furnish us with these? Or could you advise me as to whom to write regarding the matter so that we might possibly be able to secure the above Orders direct.

With assurances of our esteem, I beg to remain

Very truly yours,

Curator
